Announcement on New CFP^{CM} Certification Certificate

Since 1 December 2009, a new numbering system has been applied to the CFP certificant number to ensure that there is standardization among the FPSB Community. The prefix “L” in former CFP certificant numbers has been replaced with the prefix “CFPHK”. A new CFP certification certificate that follows a global format and uses this globally standardized certificant number is being issued by IFPHK to all current CFP certificants certified in Hong Kong. With this new certificate, consumers around the world can readily recognize the certificate holder as a CFP certificant from Hong Kong.

The old CFP certification certificates are no longer valid. For consumers’ easy reference, sample of the old and new CFP certification certificates are displayed below:

CFP^{CM}, CERTIFIED FINANCIAL PLANNER^{CM} and  are certification marks owned outside the U.S. by Financial Planning Standards Board Ltd. (FPSB). The Institute of Financial Planners of Hong Kong is the marks licensing authority for the CFP marks in Hong Kong and Macau, through agreement with FPSB.
