

# IFPHK Member's Networking Activity Happy Hour at Sake Central

Dear Members,

To foster members' connection, the IFPHK is organizing a networking activity "Happy Hour at Sake Central" on 25 April (Wednesday). Members are invited to chill out, meet and chit-chat with your peers, IFPHK CEO Dennis Lau and IFPHK Member Services Committee members in a fantastic and relaxed ambience.

The happy hour will be held in the highly-acclaimed Japanese culture bar – Sake Central, where you can enjoy sake and delicacies as you mingle with your peers. The bar curator will also be joining us to talk about everything about Japanese sake, from literature to glassware and ceramics.
