To renew their certification, CFP certificants must maintain technical competence and fulfill ethical obligations. They must complete a minimum of 15 credits of continuing education (CE) every year (including at least 2 credits on compliance or ethics). Certificants who received their certification after 1 July 2017 may complete a minimum of 7.5 CE credits to meet the renewal requirement for the first year (including at least 1 credit on compliance or ethics).
2. In addition to the annual continuing education requirement, all CFP certificants voluntarily disclose any public, civil, criminal or disciplinary actions that may have been taken against them during the previous year as part of the renewal process.
3. The one year certification period is by calendar year, from 1 January to 31 December. **Deadline for submitting the complete renewal application for year 2018: 31 December 2017.**
4. Completed application form with appropriate annual fee must be received by IFPHK on or before the deadline on 31 December. Annual fee and late fee are non-refundable and non-transferable.
5. If a complete application is not received by the end of February in the following year, the CFP certificant will be considered as not having satisfied the renewal requirements and the certification will automatically be suspended. The list of "temporarily suspended CFP certificants" will be posted on IFPHK's website and published in our official publication for public's information. IFPHK may take any other actions it deems appropriate.
