About CFP Certification and AFP™ Certification

The CFP certification is the world’s oldest and most-recognized advanced certification for financial planners. To obtain the CFP certification, individuals have to satisfy the “4E” requirement of Education, Examination, Experience and Ethics. The certification process ensures that all CFP professionals are committed to providing competent and ethical financial planning services to clients.

The AFP™ certification equips financial industry practitioners with a wide range of core competencies in financial planning for their everyday professional needs. Individuals who passed the CFP certification examination (Foundation Level) may obtain the AFP certification after satisfying the rigorous “4E” certification requirements before moving onto the CFP certification.

About IFPHK

IFPHK was established in June 2000 as a non-profit organization for the fast-growing financial services industry. It aims to be recognized in the region as the premier professional body representing financial planners dedicated to upholding the highest professional standards.

The Institute is the sole licensing body in Hong Kong authorized by Financial Planning Standards Board Limited to grant the much-coveted and internationally-recognized CFP^{CM} certification and AFP™ certification to qualified financial planning professionals in Hong Kong and Macau.

It represents more than 7,500 financial planning practitioners in Hong Kong from such diverse professional backgrounds as banking, insurance, independent financial advisory, stockbroking, accounting, and legal services.

Currently there are more than 181,000 CFP certificants in 26 countries/regions; the majority of these professionals are in the U.S., Canada, China, Australia and Japan, with more than 4,400 CFP certificants in Hong Kong.
